There are eight people the received an NPDES Employee of the Month or of the year certificate at our 10/15/15 Branch Meeting. As in the past, I would like each of them to get a 9-hour time off. Unfortunately, it now needs to be for something more recent. I am willing to draft up the narratives, and sent them to you as draft, if you agree this is still a good idea. Here are the eight people and my initial idea of a FY2015 special act (clearly reflective that my knowledge of their work is largely on high-profile or controversial items).

Sharon DeMeo – insightful research into the national and regional implications of requiring a zero discharge technology at PSNH Merrimack

This does not preclude you from processing other Time-off awards. We will probably get a May deadline, meaning that each year there is only a 2-3 month open period for TO awards, with the same or a similar open period for OTS awards.
